

Greater Effectiveness Through Self-Awareness

“Understanding Personal Strengths” workshops, available only as online, self-paced eLearning, instill participants with an **appreciation** of their own cornerstone behavioral traits, decision-making styles, and energy measures, as well as the traits and styles of others. Key behavioral aspects include Cornerstone Behavioral Traits, Trait Pairs, Decision-making Style, Energy Style and Energy Level, and Motivators and Demotivators.

This workshop utilizes the PDP ProScan Personal Strengths report. Facilitation typically requires 3 hours broken up into three session.
